Dear parents and carers

Our year 11 exam season is almost underway and we are looking towards the summer results days. Year 11, on the whole, have worked incredibly hard during this period and it has been a pleasure to see them mature into young adults. Well done to all year 11 students, it has been a tough journey, but we are nearly there.

During the external examination period, students will no longer follow a traditional timetable. We have worked with their class teachers to create personalised exam master classes prior to all exams. This means that students will be able to have additional support with their subject teachers prior to every external exam. On some days, where your child may not have an exam and if they have completed all their revision/coursework for the day, we may be able to release them for some wellbeing time. If you give your child permission to leave school site during these times, please complete the permission slip below.

The Victory Academy staff have worked extremely hard to support all students to be successful. As parents and carers, if you would like to send a personalised thank you to individual staff (or staff as a whole), please complete the form on the link below. We will share your messages with staff.

Please accept a personal thank you from Miss Wilson (Head of Year) and I. We have appreciated your support throughout this journey.

GCSE results day is on Thursday 24th August

We will contact you nearer the time with exact timings. If your child is unable to collect their results themselves, written permission from your child must be received by the school if they wish another person to collect results on their behalf. If you have any questions please feel free to contact Miss Wilson.

On the results day, all year 11 students will be required to meet with a member of staff to confirm their post-16 destinations.

Uniform

In the current financial crisis, some families may find it problematic to purchase uniform. If your child has any gently used uniform they wish to donate back to the Academy, we will be collecting blazers and ties after the last exam or in the main office. Any donation will be greatly appreciated, and a way to give back to the community. It is important to note that all students are expected to wear full school uniform for every exam.

Lastly, I want to thank you as parents/carers for all your support over the last 5 years. It has been challenging at times, but rewarding. Your child has done well to overcome the challenges they have faced throughout a pandemic, and we look forward to celebrating their successes on results day.
