

13 September 2022

Year 7 Baseline Progress Testing

Dear Parent/Carer,

During the week beginning 19 September, 2022, your child will be completing a series of baseline progress tests in English, maths and science. This will consist of them sitting a paper, in the Sports Hall, for each subject. The papers are approximately 1hr 15 mins each and will allow us to accurately assess the learning from primary school and ensure your child is placed in the correct curriculum pathway to maximise their learning.

The timetable of testing will be as follows:

Tuesday 20 September – English
Wednesday 21 September – Maths
Thursday 22 September – Science

All tests will take place during learning periods 1 and 2.

As this will be the first time year 7 pupils complete an assessment in the Sports Hall, it will be an excellent opportunity to guide them through our exam procedures and expectations, as they progress with us.

We will be using these results, along with feedback from class teachers to re-set year 7 students at October half term.

If you have any questions, please do contact me, using the contact details below.

Yours sincerely,

Mr P Jones
Vice Principal – Curriculum and Academic Standards
