OIL PAINT

Oil paint is the most expressive and versatile of all painting mediums. Because of its slow drying time, it allows for re-working and sophisticated blending. It can also be used thick or thin, with subtle detail or confident expression. Oils can be applied with a range of brushes, and colours can be mixed with a palette knife.

You need:

- A Jar
- White spirit
- Paintbrushes
- Oil paints
- Acrylic palette
- Canvas paper
- Blue roll
