## The Research Guide

Name: \_\_\_\_\_

## Cornell Note-Taking

Date: \_\_\_\_\_

Source location (website or book name): \_\_\_\_\_

Pages or time accessed: \_\_\_\_\_

In this section write questions that come from the text or ones you hope to answer.

You can also add some of the key points and words – this section should be brief and not overwhelmed.

Record the information you have learnt here:

- Write headings/titles in a coloured pen.
- Take sufficient notes that are paraphrased and selective.
- Skip a line between ideas and topics.
- Use bullet points and abbreviation.
- Include diagrams and tables if needed.

**Summary of the information as well as any questions you would now want to investigate.**
