## Log in Info

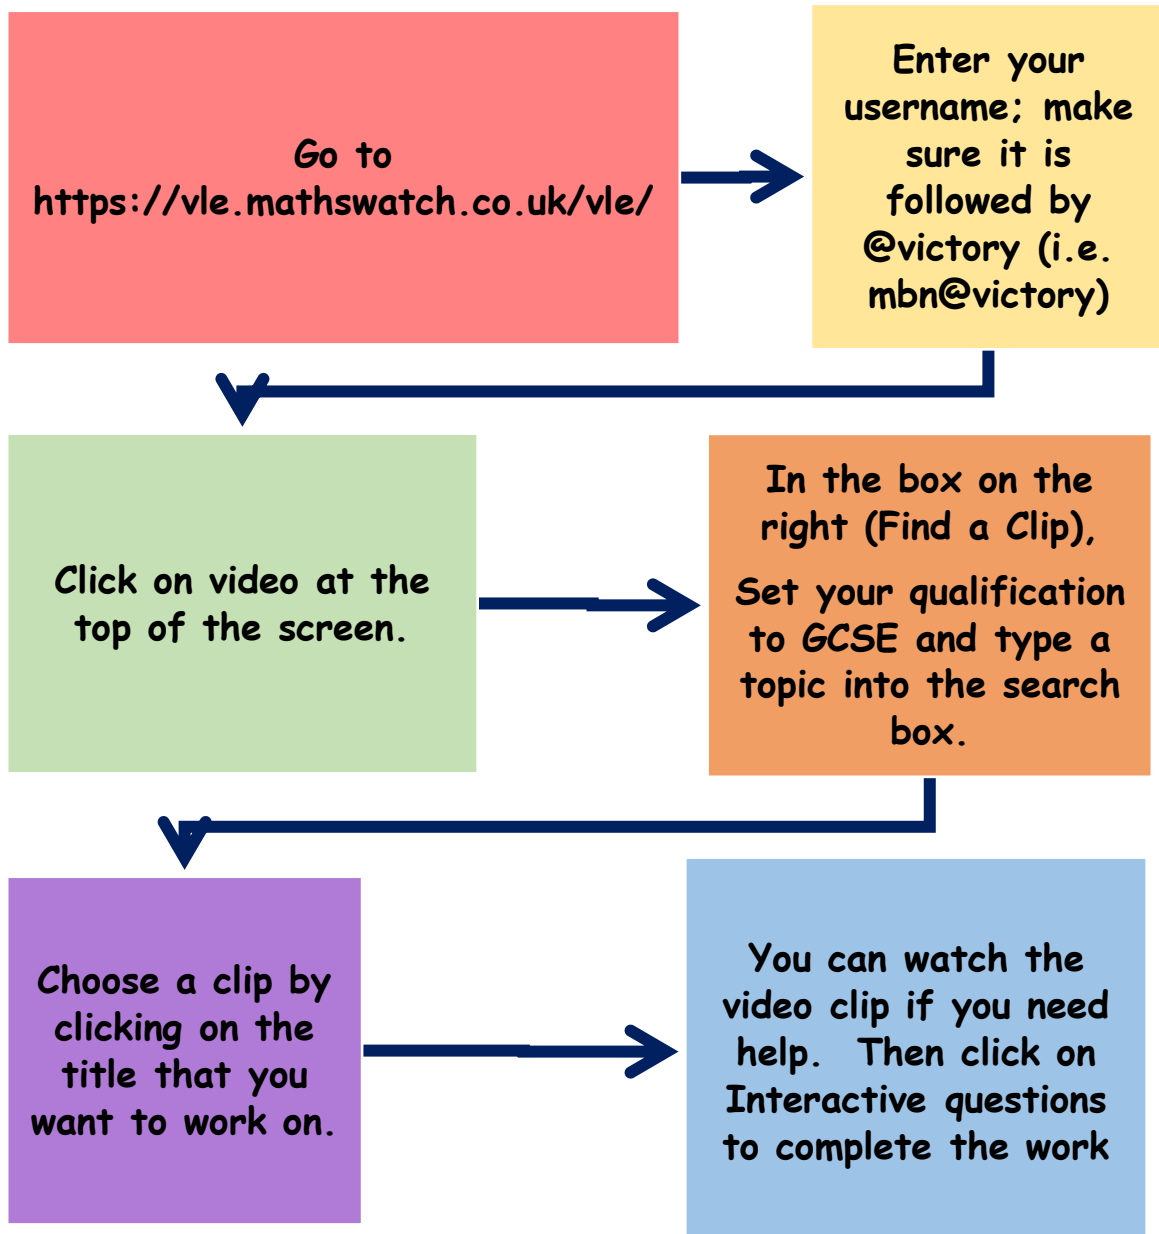

Speak to your teacher about your username and password.

Your username is the First Letter of your forename, first letter of your surname, last letter of surname.

For example, for **May Brown** - mbn@victory

The password is amd001

If your login details take you to another student's account, try to add a number in your username. For example, try mbn1@victory or mbn01@victory if that does not work, try mbn2@victory or mbn02@victory and so on. If nothing works, contact your class teacher.

MathsWatch Login form with fields for Username (mbn@victory) and Password (masked with dots). Includes links for Wonde Login, Google Login, View Demo, and a Login button. A 'Forgot Password?' link is also present.

Type in your username and password.  
Don't forget @victory
