Dear Parent/Carer,

To ensure we are meeting our requirements under data protection law, once an individual is deemed of suitable capability, we must ask them directly for their consent on how their images are processed.

As your child is now in Year 9, we have assessed their capability to make this decision and deem they are capable. Therefore, during upcoming ICT lessons, we will be seeking your child's consent on the use of their images taken by the school.

This is the consent form we will be using which you may wish to view and discuss with your child: https://forms.office.com/Pages/ResponsePage.aspx?id=s23q1ha_kkmgEHn2jlmNvHmJ8ewIPipDiqb9Osj4SU9UNlpTVlpWSkM1QVVZQIFZNzE5TEFVV0RJNy4u.

Please note, your child's decision overrides the consent you gave as their parent/carers when they first joined the school.

If you have any concerns regarding this or feel your child is either not capable of making that decision or not fully aware of their personal history which could leave them making an uninformed decision, please contact the school office.

For further information on how yours or your child's data is processed, please refer to our privacy notice at [Privacy, TSAT Trust](#)

Kind regards
