

March 2026

Dear Parent/Carer

I am writing to share the attached letter with you, which provides important information about meningococcal ([Meningitis](#)) disease, including the signs and symptoms parents and carers should be aware of.

At this time, **there are no confirmed cases within school**. However, we are closely monitoring the situation and are sharing this information to ensure that all families are informed and reassured.

We know that receiving a letter like this may feel unsettling, but we hope the enclosed guidance is helpful. We are continuing to liaise with the relevant public health authorities and will keep families updated should there be any further advice to share.

Thank you for your ongoing support.

Yours faithfully

Mr O Owen
Headteacher
